West Vancouver Yacht Club - 5854 Marine Drive, West Vancouver

Tuesday February 17, 2026 Dr. Vivien Cao

Stroke Awareness for women

Vivien Cao holds a Bachelor of Science in Pharmacy from the University of British Columbia (2017) and completed a hospital pharmacy residency with Lower Mainland Pharmacy Services in 2018. She earned a Doctor of Pharmacy degree from the University of Alberta in 2019. Since then, Vivien has practiced at Vancouver General Hospital as a Clinical Pharmacy Specialist in Neurology, with a focus on optimizing medication therapy and supporting interdisciplinary stroke care.

Dr. Cao's session will provide an overview of stroke, examine the evolving evidence surrounding estrogen and its role in stroke risk, and discuss how stroke may present differently in women. This talk aims to deepen understanding of sex-specific factors in stroke mechanism and treatment, and highlight opportunities for improved recognition and outcomes.

Guests are welcome at our Speaker Events – Guest fee is \$20 per person

After two meetings, guests are encouraged to become members.

The 2025/26 semi-annual fee starting in February is \$55.00 + \$15 for name tag.
